May 14, 2007

SUMMARY OF AMENDMENT (008064): Deletes the language of the original bill. Prohibits an injured employee from receiving temporary total disability benefits for the same weeks the employee receives unemployment benefits.

FISCAL IMPACT OF ORIGINAL BILL:

Decrease State Expenditures - \$204,000/Risk Management Fund

Decrease Local Govt. Expenditures – Exceeds \$200,000

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Decrease State Expenditures – Not Significant/Risk Management Pool

Decrease Local Govt. Expenditures – Not Significant

A more precise cost estimate is not possible because TML has not provided any information to assist in the preparation of this fiscal note.

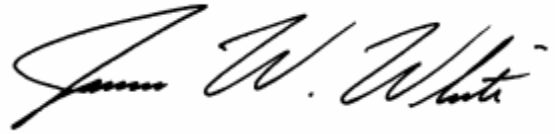

Assumptions applied to amendment:

- According to the Treasury Department, very few, if any, state employees receive concurrent benefits. Therefore, any decrease in state expenditures to the Risk Management Fund will be not significant.
- Any decrease in local government expenditures to the TML Risk Management Pool as a result of paying fewer claims will be not significant.
